Set Alert

The screenshot shows the 'SanERCC-Set Alert' page. On the left is a sidebar with a 'Master' section expanded, showing 'Wings', 'Department', 'Floors', 'Room', 'Designation', 'Employee', 'SMS Template', 'Trunk', 'Mapping', 'Reports', 'Users & Roles', 'Setting', and 'Logout'. The main area has a form for adding a new alert with fields: Alert (Blue), Wings (East Wing), Department (IT Department), Floor (1st Floor), Room (102), Bed No (4), Exten (200), Inform by (Jagwant Singh), and Remarks (test). Below the form is a table titled 'Alert' with one record: SrNo 1, Alert Red Alert, Wing East Wing, Department IT Department, Floor 1st Floor, Room 101, Bed No 3, Exten 200, Inform by Jagwant Singh, Remarks Test by Jagwant Singh, Created By Admin, and Status Deactive. The table has buttons for 'Search' and 'Export CSV'.

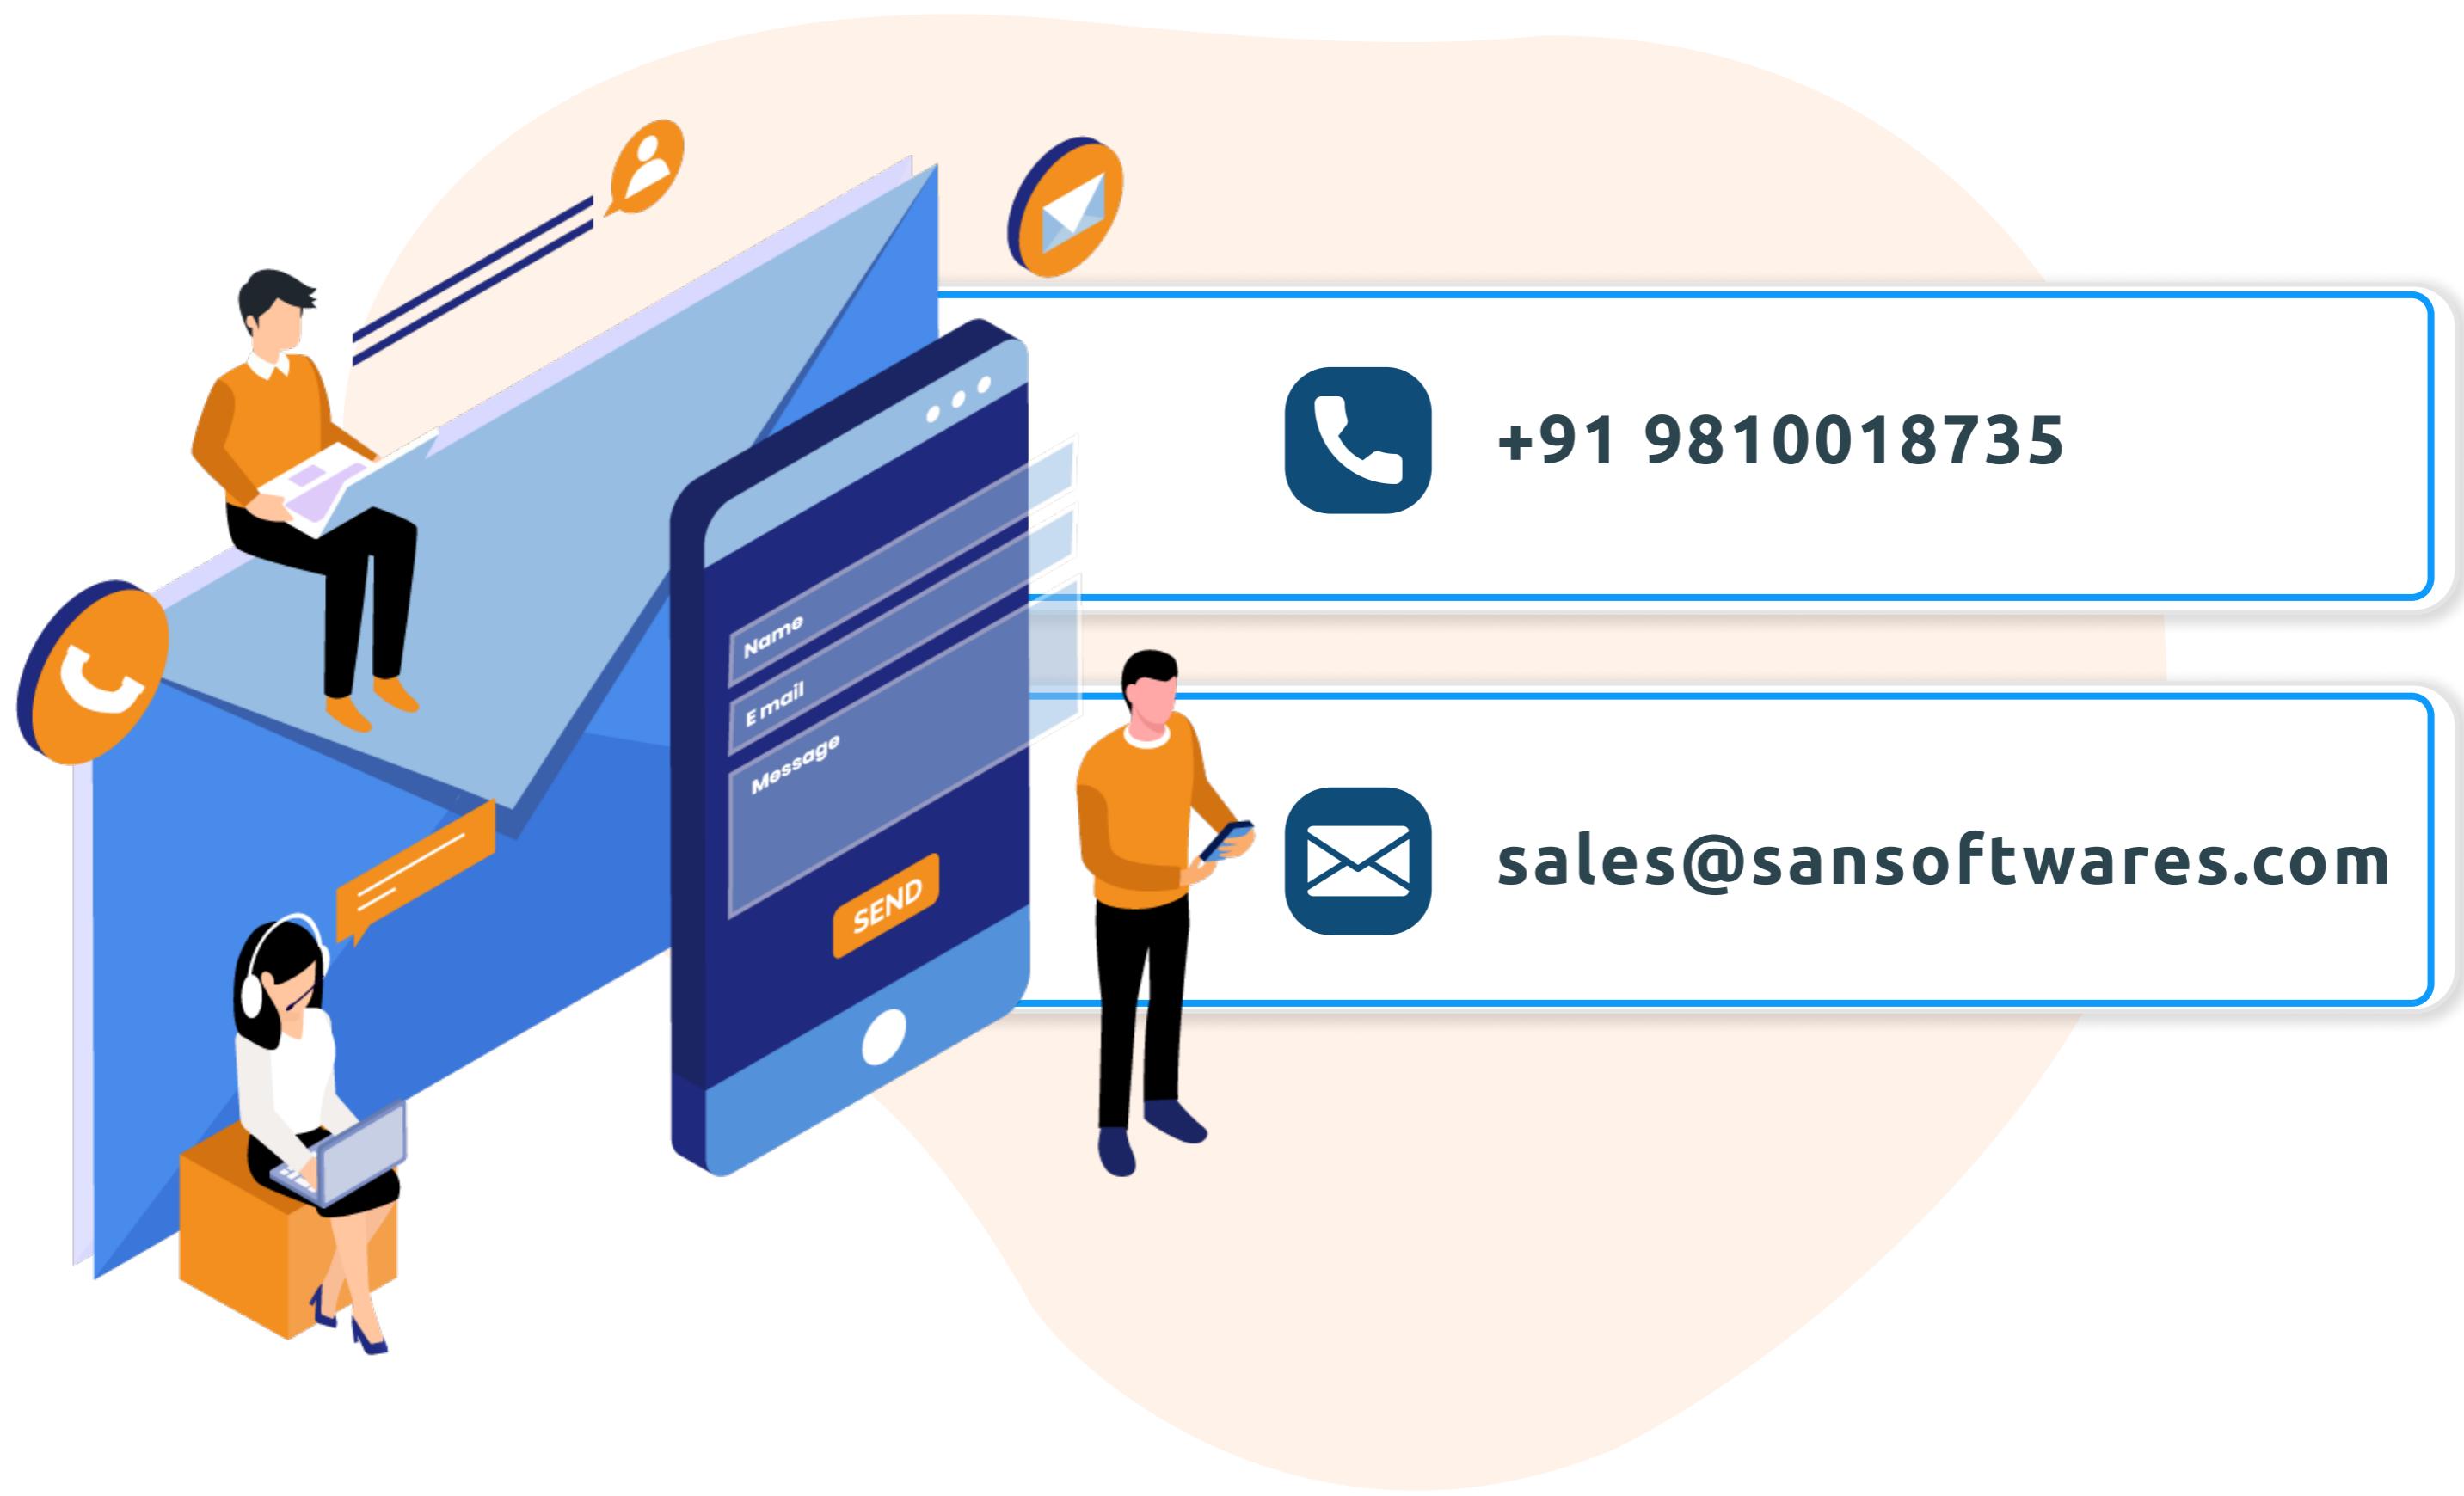

Call Logs

The screenshot shows the 'SanERCC-Call Logs' page. On the left is a sidebar with a 'Reports' section expanded, showing 'Alert Logs', 'Call Logs' (which is selected and highlighted in blue), 'SMS Log', 'Users Log', 'Users & Roles', 'Setting', and 'Logout'. The main area has a form for filtering call logs with fields: From (12-08-2023 00:00), To (12-08-2023 23:59), Alert (Select), Code (Select), Employee (Select), and Type (Select). Below the form is a table titled 'Call Logs' with 12 records. The table has columns: SrNo, Call Time, Alert, Code, Phone, Employee, Type, Status, and Durm. The records show various call details, including dates ranging from 2023-08-12 18:03:44 to 2023-08-12 18:00:53, and employee names like Kuldeep. The table has buttons for 'Search' and 'Export CSV'.
